

K-9 Cart Dog Wheelchairs on Today Show

Copyright MSNBC

We were thrilled to see Joyce featured on the Today show on January 13, 2010. There is a brief update of Turiz, the dog saved from Russia (shown in an older generation K-9 Cart dog wheelchair.) Also, watch a mixed breed dog flying around in a newer generation K-9 Cart dog wheelchair. Kudos to Joyce and Mike for their 10 years of effort to help disabled pets at [Pets With Disabilities](#)
